Background Information

The intention of the Wild Salmon Caravan is to nurture the creative energy that wild salmon have inspired through the ages, and affirm inter-tribal relationships that are the foundation of Indigenous trade and fisheries knowledge systems. Ancient ceremonies and songs of Indigenous peoples, as well as creative expressions of visual and performing arts, will call the wild salmon home to the rivers, lakes, and streams of the Fraser Basin and Salish Sea corridor where they play out their lives in birth and death. In a similar spirit as the world renowned Mardi Gras festival in New Orleans, we invite individuals, artists, coalitions, food systems networks, and communities from all ages, creeds and cultures to come out in colourful and creative expressions of our love for wild salmon at one or more of the community events we are planning from Mount Robson to Vancouver during the week of June 6 – 11, 2016. Visit our website for more detailed travel itinerary.
